**OVERALL  
DIMENSION  
90 X 120**

**SP-1 SHORT** high mount enhances at best the concept of Adventure Touring at heart of the Moto Morini X Cape. Thanks to its construction features, this exhaust provides lightness and maximum reliability. With its **clean and minimalist line**, SP-1 SHORT blends balance of shapes and technological functionality, fully embodying yet reinterpreting in a contemporary key the less is more mantra.

A lightweight **oval-shaped titanium** casing just **300 mm long** is available in two finishings: **natural titanium** and **black ceramic coated** with HP Corse laser engraved logo. **Oval molded case-backs**, a **rounded and weldless exit nozzle** containing a removable dbkiller improves the outflow of exhaust gases, a **distinctive design** that resumes the 4-TRACK, a first-of-its-kind exhaust. Inspired by the great African rallies, SP-1 SHORT evokes the strength and resilience of the epic off-road motor challenges while affirming itself as a trustworthy travel companion for the X-CAPE 649.
